ANNOUNCEMENT

THE SHORTHORN BREEDERS OF OHIO HAVE LONG BEEN RECOGNIZED AS PRODUCERS OF TOP SHORTHORNS. That Ohio is the home of outstanding Shorthorns and thus, the logical place to purchase profit-breeding and show winning individuals, was reaffirmed during the calendar year just past.

It is the intent of the members of the Ohio Shorthorn Association to make the Ohio sale one of quality and this thought is continually stressed when we are selecting cattle for our sales. It is not the claim of the sale committee that each animal is outstanding but we can safely say that this sale will be noteworthy by the absence of inferior cattle.

A brief insight as to what our breeders have done Nationally. At the International show and sale just held Ohio breeders won the following honors against 220 of the nation's best Shorthorns: Grand Champion Steer, Champion Sale Bull, 6 blue ribbons, 5 seconds, 3 thirds, 6 fourths, one fifth, 4 sixths, one seventh, 4 eighth and ninth place ribbons. Thirty-four head from Ohio herds placed higher than tenth. Forty-five were in the money. The Ohio sale will feature half brothers and sisters to these show winners.

Most of our breeders have dug deep into their herds to support this sale so it is our sincere hope that you will attend the Show and Sale and support these breeders that are carrying the load for Shorthorns in Ohio.

It is with regret that we do not have pictures of each animal selling. We had made plans for pictures but because of the load cast upon prominent livestock photographers by the International, it was impossible to get the job done. So through the fault of no one we can not present pictures but request that you come to this show and sale on our recommendation as you can expect to see nothing but the best in this offering. Please study the list of consignors and the breeding of this offering, as we are sure they will please.

All the cattle will be shown beginning at 9:30 A. M., with the sale getting under way at 1 P. M. Lunch will be served at the sale barn.

H H F BOUNCE PROMOTER—We are proud to offer HHF Bounce Promoter, our Junior herd sire, and consider him the best bull we have ever offered. He is extremely lowset and thick and impresses you with his general beef qualities. The only time he has ever been shown was at the State Show where he stood 2nd to the senior champion bull. His sire, Sunset Bounce was reserve champion at the International and sold for \$5000. The "Bounce Line" is a sure bet as judged by their recent show record at the great Denver Show this year where Sunset Bounce 25th was the grand champion. A glance at Promoter's pedigree will show many outstanding individuals as well as outstanding breeders. During the past year we have used him a great deal and his first calf is a very promising roan heifer. We invite you to the farm to see his dam, his first calf, and his half brother out of the same cow who will take his place as Junior Herd Sire.

LADY SENSATION—We believe footnotes will be of little consequence when you see this heifer. She is a beautiful dark roan with a world of width and depth, carrying a pedigree that should leave little doubt as to the kind she will produce. Another good one from the herd of Dr. C. R. Smith. Two full sisters being retained in the herd is the only reason we would part with her.

ELECTORS HILDA is a shortlegged, evenly fleshed heifer carrying a long service date to HHF Bounce Promoter. She was bred Nov. 8 and if the first calf is any indication of the quality of those to follow we are sure her new owner will be mighty proud of the calf she is carrying. She is a grand daughter of the Perth Champion Pittodrie Upright and is a half sister to the top heifer in the Columbus Grove sale last fall. This Hilda family has always been a good producing family. Vaccinated for bangs.

DUNREL AUGUSTA is the first calf by Shore Acres Dunrel offered at public auction. She is a dark red nicely balanced heifer that is stylish about her front, full in her heart and has a leg on every corner. We think she shows a lot of promise, and consider her a fair sample of the grand calves by Dunrel. Those who have seen Dunrel recently continue to praise him as one of the good bulls in the country. Vaccinated for bangs.

GREENWOOD CRAFTSMEN by Uppermill Wanderer. First-prize junior bull calf at the 1952 International. Bred and exhibited by David S. Graham, South Solon, Ohio. He was a member of the first-prize pair of calves. A half-brother to Lot 50.

STANDARD GUARANTEE

of

American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of the date of purchase, or by the time the bull is twenty months of age, if purchased under fourteen months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not selling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
